INFO

RYAN AD is a multidisciplinary artist, curator, and cultural worker , currently orbiting the unceded Tio'tiá:ke / Mooniyang Territory [Montréal] . RYAN AD plays in concerto with the intangibles that lie between heart , head , alma , the unknown , the analog , and the digital . Playing as soloist on ancient melodies floating throughout the Caribbean , Turtle Island , and across the wider African Diaspora , RYAN AD work moves in syncopation with , and finds ways to subvert , the larger western cultural mosaic . Playing within and beyond time , space , and universe . Playing in his / their own artistic key , connecting people and ideas by switching between media as one may switch scales . Playing possibly as a reincarnation of Sun Ra but it's hard to know for sure .

A data thief and internet archivist have recently unearthed a trove of his / their work that surfs the web at the following wavelength : https://RYAN.AD . Work has also featured in exhibitions , private collections and art magazines across Turtle Island and the Caribbean .

INFO

RYAN AD est artiste multidimensionnel , conservateur , et travailleur culturel ; actuellement en orbite autour du territoire non cédé de Tio'tiá:ke / Mooniyang [Montréal] . RYAN AD joue en concerto avec les intangibles qui restent entre le cœur , la tête , alma , l'inconnu , l'analogique , et le numérique . Il / Iel joue comme soliste des mélodies anciennes qui flottent partout dans les Caraïbes , Île de la Tortue , et vers la diaspora africaine . L'œuvre de RYAN AD danse en syncope avec , et trouve des moyens de subvertir la plus grande mosaïque culturelle occidentale . RYAN AD joue avec et au-delà du temps , l'espace , et l'univers . Il / Iel joue en sa / leur propre tonalité artistique , reliant les gens et les idées en passant d'un média à l'autre comme on peut changer des échelles . Peut-être qu'il / iel joue comme réincarnation de Sun Ra mais ce n'est pas sûr .

Un voleur de données et archiviste numérique a récemment déterré un trésor d'œuvres qui surf sur le net à : https://RYAN.AD . Les œuvres habitent également dans des expositions, des collections privées et des magazines d'art à travers l'île de la Tortue et les Caraïbes .

INFO

RYAN AD es un artista multidimensional , curador , y trabajador cultural , actualmente órbita el territorio no cedido de Tio'tiá:ke / Mooniyang [Montréal] . RYAN AD toca en concierto con los intangibles que se encuentran entre el corazón , la cabeza , alma , lo desconocido , el analógico , y el digital . Toca como solista las antiguas melodías que flotan a través del Caribe , la Isla Tortuga , y la diáspora africana más amplia en general . La obra de RYAN AD se mueve en síncopa con el amplio mosaico cultural occidental y encuentra maneras de subvertirlo . Toca dentro y más allá el tiempo , espacio , y universo . Toca con su proprio tono artístico, conectando gente e ideas al alternar entre medios como escalas . Posiblemente tocando como una reencarnación de Sun Ra pero es difícil saber .

Un ladrón de datos y una archivista de internet han descubierto recientemente un tesoro de su obra que navega por la web en : https://RYAN.AD . Su obra también ha aparecido en exposiciones , colecciones privadas y revistas de arte en la Isla Tortuga y el Caribe .
